Meet Ashley Lanier

Many of you have had the pleasure of working with Ashley while she was a sales assistant. She has been exceptional in that job and her customers love her. So we decided to promote her to 'Catering & Event Specialist'. In this position, she will specialize in private affairs from intimate anniversary parties to extensive wedding celebrations.

Ashley's attention to detail and enthusiasm about the entire planning process is refreshing! We just know you will find her as great to work with as we do. Ashley's favorite event to plan is a wedding. As a new bride herself, she is ready to make your wedding as successful as her very own.
